It takes a lot to keep a school running smoothly, but some people do a very good job. Secretary Augusta Parkins, has a lot of hassles, but always comes through. Janitors Alden and Daisy Hoidal, and Sharon Williams, do a good job keeping our school clean when at times must seem impossible!! And the cooks do a lot of hard work preparing our lunches. Last but not least is Mr. Guthrie . . . well, you know how it is with principals!!

# STUDENT BODY ACTIVITIES

## “POWDER PUFF”

Coach Kraut and Coach Nelson show mixed emotions during the game.

The Juniors and Sophomores overtook the Seniors and Freshman in this year's Powder Puff game. The competition was stiff and the score showed it. The winning girls squeezed by their opponents with a 6-0 victory. Coaches for the teams were Kyle Nelson and Larry Kraut for the Juniors and Sophomores and Art Wilder and Buddy Wilkinson for the Seniors and Freshman.

Teammates Jeanette Vinje, Cheryl Cooper, and Kristi Turner listen to halftime strategy.

## "CHRISTMAS WEEK"

The talented Senior Choir sings carols for the student body.

Christmas week 1980 was very fun and exciting this year. The traditional activities included: decorating the school windows by the Seniors, a movie for the student body, a hall decorating contest between the upper and lower halls, and a party at the end of the week. Here the Sophomores entertained with a skit and the Juniors provided refreshments.

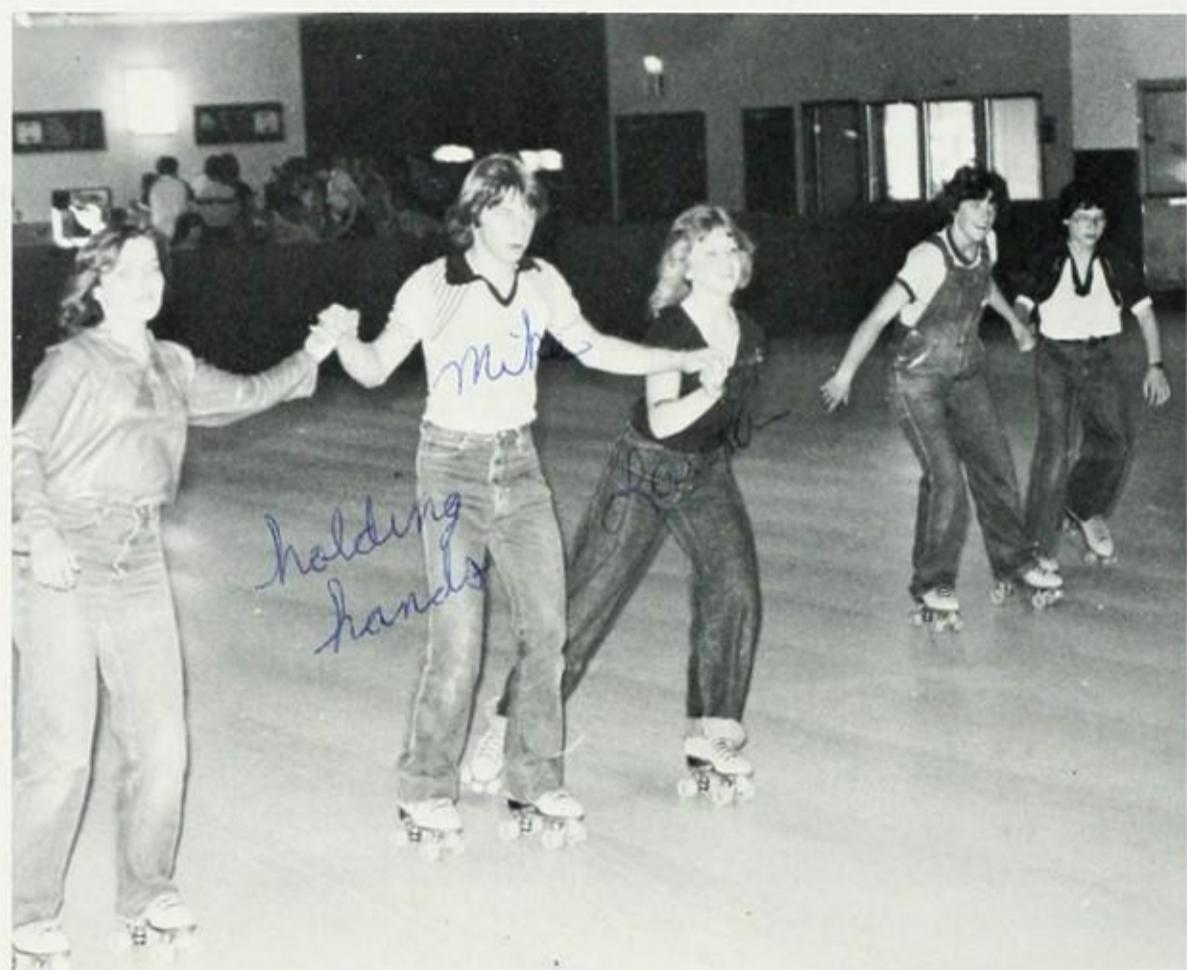

The last part of May was a time for rollerskating! Students went home with many bruises, but felt, no reflection, the fun times were worth it.

An "unusual" award is presented by Andy Dunnam.

On April 23, 1981, the Juniors honored the Seniors with the traditional banquet. This special occasion was a time for students to get together and reflect on memories of high school days shared.

After a delicious dinner of roast turkey, Junior class President Kevin Sandquist and Vice President Colleen Swanson read the Senior prophecies. Next, Senior class president Jill Carlson and Jennifer Hann read the Senior wills. Shane Nilsson and Bill Dugger sang solos, and the "Rookies" provided musical entertainment.

Andy Dunnam gave out this year's special awards. Kristi Turner received a leash (for the teachers), Kim Hokanson became the "athletic supporter" of the year, Gail Swanson now owns a muzzle, and Mike Brocke claimed the title F.S.M.A. (Future Smart Mouths of America). Also, a flashlight seemed fitting for Bob Stratton, Jeff Bingman, and Mel Denny (attics can be dark!). Banquet '81 was a night to be remembered . . .

# PROM 1981

An important event of the year is the spring Prom, put on by the junior class. This year's Prom was held April 25, at the Best Western in Moscow. The theme was "The Best of Times," with music played by "Mistress." The night was a big success, and is sure to be remembered.

# ORGANIZATIONS

# S. O. A.

One of Jeannette Vinje's many expressions.

S.O.A. (Seniors of America) is a very elite organization. Membership in this highly sophisticated club is limited to those people who meet the following qualifications:

- (1) they must be crafty
- (2) they must be adaptable to any situation
- (3) they should maintain at least a 1.0 GPA
- (4) they will project the image of a Superior Being!

The Troy class of '81 truly is the "class with class."

The Father-Daughter banquet and Mothers' Tea are two of the yearly events they put together. This year Girls' League supplied free donuts and kool-aide at the "Wednesday Special" during Homecoming Week, and chose a "Girl of the Season" for fall, winter and spring. # VOLLEYBALL . . . MOVING UP

The Varsity team, led by captains Kim Hokanson and Chris Clement, ended its season with an impressive record of 10-4, and captured 2nd place at the District Tournaments in Kendrick. The J.V. team worked hard also and ended up with a 4-2 record. Coach Stensland devoted a lot of her time during the season.

Students met in the school parking lot where the Girls' League provided refreshments. Afterwards a serpentine of students ran through the streets of Troy and then went to a pep rally. After a hard Friday of decorating floats, a parade and pep rally occupied mainstreet. A Victory dance topped off the week that Friday night celebrating a big win over C.V.

The Trojans had one last chance to make it to State by competing in the Regional Tournaments, also held in Lewiston. But Troy lost both nights, coming home 4th in Regionals.

As soon as spring break is over, members of THS girls' and boys' track teams don their sweats and begin working out in earnest. When track meets begin, each individual has reached his or her peak of physical and mental perfection and is ready to face the challenge of a rigorous schedule. Occasional casualties, shin splints, or sore muscles, often the order of the day, become "part of the game"—a game with rewards for all participants who give it their best shot. Teammates qualifying for state: SENIORS Shane Nilsson and Elise Cox; JUNIORS Kevin Rauch, Chris Dammarell, Andy Dunn and Tom Umbarger; and SOPHOMORE Julie Homan.

Sally Cox positions herself for a return.

# 1981 EDITORS

Selling ads, photography work, writing copy, and meeting deadlines are just a part of the responsibilities of being Trojan Torch editors. Under a cloak of secrecy, into long hours of the night, living on sunflower seeds and pop, we tried to make an annual that was unique and special. We would like to give a special thanks to our advisors Cliff Swanson and Loni Bangs. We couldn't have done it without them . . .
